

CRRDR

High-energy Latin club mutations for global dancefloors

1 BIO

> "CRRDR is a Colombian DJ, producer and multidisciplinary artist shaping the global Latin electronic underground."

CRRDR is known for developing Latincore, a high-energy fusion of Latin club rhythms (dembow, reggaeton, baile funk, guaracha) with global electronic styles like techno, hardcore, trance and bass music.

He is also the founder of Traaampaaa, a platform dedicated to pushing Latin American club music globally.

HIS SETS ARE FAST, PHYSICAL AND UNPREDICTABLE, DESIGNED FOR HIGH-IMPACT DANCEFLOORS. HE HAS RECEIVED SUPPORT FROM MIXMAG, BANDCAMP DAILY AND REMEZCLA, AND HAS RELEASED MUSIC THROUGH PLATFORMS SUCH AS BOILER ROOM, HARD DANCE, NAAFI, INTS AND RINSE.
